### About ChiTAG Group

We are the Chicago Toy & Game Group, but you can call us the ChiTAG Group. November each year, we produce a week packed with events that celebrate play, and the inventors who make toys and games! The ChiTAG Group is a family of industry initiatives designed to encourage and promote the power and joy of invention in social, educational, and professional environments.

**Mission:** To build community through play by providing opportunities for friends, kids, family to connect with one another and experience the joy and value of play

**Our offering:** ChiTAG Week is the only event of its kind that brings together the public with play innovators and the media. As part of the week there are three offerings:

- Conference
- Gala
- Fair
